Hello displayers,

Once again, we are looking for quality arts/crafts people who would like to set up at our Fall Festival. We have extended Friday hours since we are now part of the Shop Hop and want to correspond our hours as close as possible to the other locations.

The Shop Hop for the Amanda-Tarleton area will again include approximately a dozen locations ranging from barn shops to wineries and farm market, and dress shops to antiques shops, plus restaurants and much more. Attendance was higher last year due to the Shop Hop and hopefully again this year more people will be out and shopping and will stop by our festival. Since we hope to encourage more people to stop, we are opening at noon on Friday. If you cannot be here at that time due to other obligations, you may still set up on Thursday and cover your merchandise until you arrive on Friday. It will be difficult to let you set up on Friday after noon with the public being here. We had a lot of good feedback due to the Shop Hop being the same time. More planning is going into the Shop Hop this year with hopes of improving and increasing it as well. Our main advertising will be online websites, facebook, radio, flyers, yard signs, and a lot of word of mouth. There may be some newspaper advertising but we have found that is becoming less effective.

We will again host the civil war re-enactment with the Sherman Cannon and the Wm McKinley camp 21 SUVCW 1st Ohio Light Artillery Battery M. Half of your entry fee is donated to this organization to help with ammunition. They will fire the cannon on Friday evening at 6 p.m. and on Saturday at 11 a.m. and 1 p.m.

We will have kid activities on Saturday including the pumpkin race and the corn cob throw. Hay rides will also be featured during the day on Saturday.

Friday night is our annual bean cook dinner. We invite all of you to attend as well as the public that is here that evening. It will start at 5:00 p.m. and continue until the beans are gone!!!!
